

Advanced SQL Server Integration Services

What You Will Learn.....	1
The Merge Join Transformation	2
The Merge Join Transformation versus the Union All Transformation	2
The Merge Join Transformation Supported Join Types	3
Merge Join Transformation Key Points.....	5
The WebSiteData Project Example	5
Exercise 1	17
Lookup Transformation	20
Lookups Defined.....	20
The Lookup Transformation	20
Lookup Transformation Considerations	21
Lookup Transformation Data Routing.....	21
Lookup Transformation Cache Modes	22
CompareCustomerData Project Example	25
The Miss-Cache Feature	31
Lookup Transformation Actions.....	32
Exercise 2.....	33
Fuzzy Lookup Transformation	34
CustomerCleansing Project Example	35
Exercise 3.....	47
Cache Connection Manager and Cache Transform	48
Cache Connection Manager Considerations.....	48
The Processing of New Company Data Example.....	49
The ProcessNewCompanyData Project	49
Fuzzy Grouping Transformation (Optional).....	55
CompanyFuzzyGrouping Project.....	56
Aggregate Transformation (Optional)	61
AggregateIncomingSales Project.....	61
Appendix A: Solutions to Exercises	66
