

# Introduction to Desktop Publishing Using InDesign CC

What You Will Learn.....	1
Opening a Document .....	2
Exploring the InDesign CC Workspace.....	3
Using Panels.....	3
The Toolbox.....	7
Control Panel .....	8
Page Views.....	9
Scroll Bars and the Hand Tool.....	11
Power Zoom with the Hand Tool.....	12
Creating a New Document.....	13
Changing Measurements to Inches .....	15
Restoring Defaults .....	16
Typing and Typography.....	17
Typing in InDesign .....	17
Selecting Text .....	18
Formatting Characters.....	18
Font Primer .....	21
Aligning Paragraphs.....	22
Undo.....	23
Saving a Document.....	24
Revert to Saved.....	25
Exercise 1 .....	26
More Typography .....	27
Leading .....	27
Kerning and Tracking .....	28
Vertical Alignment.....	30
Optical Center.....	31
Color .....	32
Selecting Colors from the Toolbox and Color Picker.....	32
The Swatches Panel .....	33
Adding a Color from a Swatch Library .....	34
Adding a Color from the Control Panel.....	35
Applying Fill and Stroke Color.....	36
Creating a Tint Swatch.....	39

Tabs and Indents .....	40
Setting Tabs .....	40
Indenting Text .....	42
Creating a Hanging Indent .....	43
Inserting Bullets .....	43
More on Special Characters and Formatting .....	45
More on the Glyphs Panel .....	45
Type Menu Options .....	46
Control Panel Options .....	47
Exercise 2 .....	48
Word Processing .....	49
Importing Text into a Text Frame .....	49
Checking Spelling .....	51
Find and Change .....	53
Finding and Changing Formats .....	54
Built-in Searches .....	56
Other Search Features .....	57
Exercise 3 .....	59
More on Text Frames .....	60
Dynamically Creating a Text Frame .....	60
Placing Multiple Files .....	60
Resizing a Text Frame .....	61
Smart Dimensions .....	61
Fitting Frame to Content .....	61
Aligning Text in a Frame .....	62
Converting a Shape .....	62
Moving a Text Frame .....	62
Using Smart Guides .....	62
Aligning Text Frames with Ruler Guides .....	62
Document Setup .....	64
Text Frame Formatting .....	64
Adjusting the Inset Spacing .....	65
Applying Corner Effects .....	65
Exercise 4 .....	68
Creating Shapes .....	70
Lines and Arrows .....	70
Rectangles, Ellipses, and Polygons .....	72
Pen Tool (Optional) .....	76
Pencil Tool .....	79

Manipulating Objects .....	80
Selecting.....	80
Stacking.....	81
Duplicating.....	81
Aligning and Distributing .....	82
Grouping .....	83
Locking Position .....	83
Exercise 5 (Optional) .....	85
Multiple Columns .....	86
New Document Dialog Box.....	86
Multicolumn Text Frames.....	86
Using the Control Panel.....	87
Threading Text Frames .....	88
Threading Text to an Existing Frame .....	88
Revealing Text Threads .....	89
Inserting a New Frame Between Threaded Frames .....	89
Shortcuts for Threading Text Frames .....	90
Moving Between Threaded Text Frames.....	90
Deleting a Threaded Frame.....	91
Exercise 6.....	92
Multiple Pages .....	94
Adding Pages .....	95
Moving from Page to Page .....	96
Master Pages .....	98
Setting Master Page Margins and Columns.....	98
Numbering Pages Automatically .....	99
Appendix A: Culminating Project .....	100
Appendix B: You Are the Typesetter .....	102
Appendix C: Getting Help .....	104
Appendix D: InDesign CC Toolbox .....	106
Appendix E: InDesign CC Shortcuts .....	107
Appendix F: Printing.....	108
Appendix G: Exercise Solutions.....	111
