

Basic PowerShell Scripting: Level 1

What You Will Learn.....	1
What is PowerShell.....	2
Leveraging .NET.....	2
PowerShell ISE.....	3
PowerShell ISE Console.....	3
PowerShell ISE Toolbar.....	4
PowerShell ISE Windows.....	5
Objects.....	6
Members, Properties and Methods.....	6
Using the Property or Method of an Object.....	7
PowerShell Commands.....	8
Breaking Out of a Command.....	8
PowerShell Command Types and Aliases.....	8
Commands that Provide Help.....	10
Line Continuation.....	12
Pipelines.....	13
Execution Policy.....	15
Execution Policy Scope.....	15
Local Policy Setting and Group Policy Setting.....	16
Determine the Execution Policy.....	16
Setting the Execution Policy.....	16
To Display the Current User Policy Setting.....	17
Remove the Execution Policy.....	17
Setting the Scope of the Execution Policy.....	17
PowerShell Scripts.....	18
What is a PowerShell Script.....	18
Running Scripts from the Current Directory.....	18
Running Scripts from a Different Directory.....	19
Specifying Parameters (Arguments) when Running Scripts.....	19
PowerShell Variables.....	20
Variable Declaration and Naming.....	20
The \$ Method of Declaring Variables and Viewing Variable Values.....	20
Declaring and Initializing Multiple Variables.....	21
Assignment Operators.....	22
Comparison Operators.....	24
Get-Variable Cmdlet.....	26
Set-Variable and New-Variable Cmdlets.....	26

Remove-Variable Cmdlet	32
Data Types	32
PowerShell Variables and the Read-Host Cmdlet	35
The .NET Framework Graphical of Getting User Input	35
Environment Variables	36
Exercise 1	38
Literals	39
String Literals.....	39
Special Characters (Escape Characters).....	42
Here-String String Literals.....	43
SubString Method	46
The Length Property	47
Trimming Strings	48
Numbers and Numeric Literals.....	49
Exercise 2.....	51
Conditional If Statement.....	52
Exercise 3.....	56
Arrays or Lists.....	57
Exercise 4.....	64
Hash Tables: Associative Arrays.....	65
Appendix A: Operators	67
Appendix B: Aliases for Class Cmdlets.....	72
Appendix C: Solutions to Exercises	73
