

Introduction to Visio

What You Will Learn.....	1
Creating a New Diagram	2
Understanding the Visio Interface	3
Working with Backstage View	4
Understanding Shape Terminology	5
Creating and Manipulating Shape Instances.....	7
Adding Shape Instances.....	7
Selecting and Moving Shapes.....	7
Changing Fill, Lines, and Shapes	9
Connecting Shapes Using the Glue Feature.....	14
Customizing Glue Behavior.....	15
Working with Connection Points.....	15
Inserting a Shape in the Middle of an Existing Connection	18
Adding Text to Shapes.....	19
Formatting Text	19
Viewing Drawings	21
Zooming.....	21
Panning	22
Presentation View and Fit Page to Current Window View	23
Print Previews	23
Saving the File	24
Exercise 1	25
Grouping Shapes.....	26
Changing Page Size or Orientation.....	28
Adding Backgrounds, Titles, and Other Labels.....	29
Adding a Background	29
Adding Titles and Borders	30
Adding Free-Floating Text Boxes	32
Using Themes	33
Applying a Theme to a Diagram.....	33
Removing a Theme.....	34
Exercise 2.....	35

Working with Default Templates.....	36
Using the Connector Tool.....	38
Connecting Shapes Using the Connector Tool	38
Modifying the Connector	40
Swim Lanes (Optional).....	42
Exercise 3	44
Understanding AutoConnect.....	45
Using AutoConnect to Connect Two Neighboring Shapes	46
Using AutoConnect to Add Additional Shapes	46
Laying Out Your Diagram.....	47
Understanding the Dynamic Grid	48
Arranging Shapes.....	49
Re-Layout the Entire Page	50
Exercise 4.....	52
Working with Organization Charts.....	53
Establishing Hierarchical Relationships	53
Resizing Boxes and Cleaning Up the Layout	56
Adding Multiple Positions at Once.....	58
Changing Positions	60
Adding Photos.....	61
Exercise 5.....	62
Working with Brainstorming Diagrams (Optional).....	63
Adding Ideas	63
Organizing Ideas	64
Adjusting Layout	66
Formatting and Design in Brainstorming Diagrams.....	67
Exercise 6.....	68
Drawing Your Own Shapes	69
Creating Lines.....	69
Creating Rectangles and Ellipses.....	70
Creating Arcs	70
Creating Freeform Shapes.....	70
Sharing and Publishing Diagrams.....	71
Publishing Visio Drawings to the Web.....	71
Saving Files as Images.....	77
Saving Files to Other Formats	77

Appendix A: Screen Tips.....	78
Appendix B: Adding Additional Diagram Pages.....	79
Appendix C: Tips to Mastering Flowcharts.....	82
Appendix D: Solutions to Exercises	84
