

# West County Continuing Education Center

## New Location!

We have moved to our new facilities in the West County Continuing Education Center at **12837 Flushing Meadows Drive**. This is minutes away from our former building.

The Center is located in the Bel Aire Office Park, near the intersection of I-270 and Manchester Road, just down Des Peres Road from the Des Peres Ciné.

From Des Peres Road, turn west onto Flushing Meadows Drive. Go past Deer Tracks Trail. The Center is a brown building on your right. Parking can be accessed off Flushing Meadows Drive or Hidden Creek Court. Handicap-accessible parking is at the front of the building.

Registration is on the first floor.
