

Introduction to Python Programming

| | |
|----------------------------------------------------------------|----|
| Overview..... | 1 |
| What You Will Learn..... | 2 |
| First Program: Hello World | 3 |
| Writing a Program..... | 3 |
| Python Interpreter | 3 |
| Variables | 4 |
| Assigning Literal Values to Variables | 4 |
| Working with String Variables | 9 |
| User Inputs | 10 |
| Exercise 1 | 11 |
| Conditionals | 12 |
| Writing Simple If Statements..... | 12 |
| Using Elif for Multiple Conditionals | 15 |
| Working with Logical Operators | 17 |
| Understanding Nested If Statements..... | 18 |
| Putting It All Together | 19 |
| Exercise 2..... | 21 |
| Working with While Loops | 22 |
| Generating a Random Number | 25 |
| Exercise 3..... | 26 |
| Using For Loops | 27 |
| Controlling the Flow of Loops..... | 29 |
| Nesting Loops | 29 |
| Other For Loop Options..... | 30 |
| Exercise 4..... | 32 |
| Built-In Functions and Methods | 33 |
| Built-in Functions | 33 |
| String Manipulation and the Slicer Operator (Substrings) | 34 |
| Exercise 5..... | 36 |
| Data Structures..... | 37 |
| Lists..... | 37 |
| Updating List Values | 38 |
| Appending a Value to a List | 38 |

| | |
|-------------------------------------------------------|----|
| Using Indexes..... | 38 |
| Removing a Value from a List..... | 38 |
| Functions on a List..... | 39 |
| Looping through a List..... | 39 |
| Sorting a List..... | 40 |
| Complex Lists | 40 |
| Exercise 6..... | 41 |
| Tuples..... | 42 |
| Dictionaries | 44 |
| Defining and Initializing a Dictionary | 44 |
| Updating and Adding Entries to a Dictionary..... | 44 |
| Finding an Entry in a Dictionary | 45 |
| Showing Dictionary Values | 45 |
| Updating/Merging Dictionary..... | 46 |
| Deleting Entries from a Dictionary..... | 46 |
| Exercise 7 | 47 |
| Functions..... | 48 |
| Defining Your Own Functions..... | 48 |
| Parameters..... | 49 |
| Exercise 8..... | 50 |
| Modules..... | 51 |
| Exercise 9..... | 52 |
| More on Functions | 53 |
| Functions: "First-Class Citizens" | 53 |
| Passing Functions to a Function | 53 |
| Functions in a Dictionary..... | 54 |
| Functions Inside of Functions..... | 54 |
| Appendix A: Notepad++ Hot Key | 56 |
| Appendix B: Codes Used in the Strftime Function | 57 |
| Appendix C: Standard Modules..... | 59 |
| Appendix D: Solutions to Exercises | 60 |
