What You Will Learn.....	1
Using Comments.....	2
Creating Comments .....	2
Editing Comments .....	3
Deleting Comments .....	4
Moving and Copying Comments .....	4
Resizing Comments .....	5
Printing Comments .....	6
Controlling the Excel Workspace .....	7
Tiling Worksheets and Workbooks .....	7
Using the Watch Window Tool .....	9
Reordering Columns .....	10
Shifting Cells .....	12
Adding Cells .....	12
Deleting Cells.....	12
Freezing Panes .....	13
Using the Go To Special Dialog Box .....	14
Selecting Ranges.....	14
Using Go To Special.....	15
Exercise 1 .....	17
Troubleshooting Cell Errors .....	18
Interpreting Error Messages.....	18
Using Error Indicators.....	19
Arranging Data.....	22
Creating Custom Lists.....	22
Removing Duplicate Data.....	24
Removing Duplicates Example.....	26
Converting Text to Columns.....	28
Transposing Data .....	33
Custom Data Sorting .....	34
Exercise 2.....	36
Paste Special .....	38
Working with Custom Views.....	39
Creating a Custom View .....	39
Using Custom Views .....	40
Deleting Custom Views .....	40
Printing Custom Views.....	41

Exercise 3.....	42
Using Group and Outline .....	44
Creating Groups .....	44
Using the Outline .....	45
Adding Levels to the Group.....	46
Hiding and Showing the Outline Symbols.....	46
Ungrouping a Group .....	47
Clearing an Outline .....	47
Creating Auto Outlines .....	47
Grouping Summary Tables .....	48
Using the Subtotal Command to Summarize Your Data .....	49
Calculating Subtotals .....	49
Removing Subtotals .....	51
Using Subtotals on Filtered Data .....	52
Data Consolidation.....	53
Understanding Data Consolidation Layouts .....	53
Creating a Consolidation Table .....	53
Consolidation by Position.....	55
Modifying a Consolidation Table .....	57
Creating Links in Consolidation .....	57
Exercise 4.....	59
Data Validation .....	61
Setting Up Data Validation.....	61
Creating a Drop-Down List .....	64
Validating a Numeric Range.....	66
Using Input Messages.....	67
Adding Error Alerts .....	68
Validating Dates.....	69
Validating Based on Character Length.....	70
Finding Cells with Data Validation .....	71
Extending Data Validation to Additional Cells .....	72
Viewing Invalid Data.....	73
Removing Data Validation .....	73
Changing Data Validation Settings.....	74
Copying Data Validation Settings .....	74
Exercise 5.....	75
Using Hyperlinks .....	76
Appendix A: Keyboard Shortcuts.....	78
Appendix B: Solutions to Exercises .....	80
